ASCENDANT RESOURCES LAUNCHES VIRTUAL TOUR OF THE EL MOCHITO MINE

TORONTO, ONTARIO - Ascendant Resources Inc. (TSX: ASND) (OTCQX: ASDRF; FRA: 2D9) ("Ascendant" or the "Company" - http://www.commodity-tv.net/c/search_adv/?v=297772) is pleased to announce the launch of its 360° virtual tour of the El Mochito Mine located in Honduras. The El Mochito Mine's virtual tour provides an in-depth view and description of the mine's various operational areas which include mining, crushing, milling, processing and concentrate production.

Using the interactive map, users can tour the operations beginning underground where ore is mined and ending at the concentrate warehouse where final concentrate production is stockpiled before being shipped. Users can also take advantage of additional information popups at each of the stages which provide an explanation of the area they are viewing as well as extra photos which compliment the entire 360° view.

We hope the El Mochito virtual tour will provide a unique viewing experience of the underground and surrounding operations.

To view the El Mochito Mine virtual tour on a desktop or mobile device, please visit www.elmochitotour.com or access a button on the Company's website.

About Ascendant Resources

Ascendant Resources Inc. is a mining company focused on its producing zinc-lead-silver El Mochito Mine which has been in operation since 1948. Since acquiring the mine in December of 2016, Ascendant has increased throughput by more than 30%, has had success with its restarted exploration activities and has now achieved positive EBITDA as of July. With the price of zinc hitting a 10-year high, Ascendant is one of the few small cap pure play zinc producers benefitting from these improving zinc market fundamentals.
