

## **AURANIA RESOURCES ANNOUNCES FILING OF FINAL SHORT FORM PROSPECTUS IN CONNECTION WITH OVERNIGHT MARKETED OFFERING**

*Not for distribution to United States newswire services or for dissemination in the United States*

**Toronto, Ontario, March 29, 2021 – Aurania Resources Ltd. (TSXV: ARU) (Frankfurt: 20Q) (“Aurania” or the “Company” - <https://www.commodity-tv.com/ondemand/companies/profil/aurania-resources-ltd/>)** announces that it has filed a final short form prospectus in each of the provinces of Canada and obtained a receipt from the Ontario Securities Commission (the “Receipt”) to qualify the distribution of 2,180,000 units of Aurania (the “Units”), and the common shares and warrants underlying such Units. The Units are being issued pursuant to the previously announced overnight marketed public offering of Units at a price of C\$3.10 per Unit, representing aggregate gross proceeds of C\$6,758,000 (the “Offering”) announced on [March 18, 2021](#). The final short form prospectus has also been filed to qualify the additional 327,000 Units at a price of C\$3.10 per Unit, which are subject to the over-allotment option exercisable, in whole or in part, by the underwriters of the Offering.

The Company expects to complete a concurrent private placement financing (the “Private Placement”) of Units for gross proceeds of up to C\$1,500,000 on the same terms and conditions as the Offering.

As a result of obtaining the Receipt, the Offering is expected to close on or about March 31, 2021, subject to satisfying certain closing conditions, including final approval of the TSX Venture Exchange.

Copies of the short form prospectus is available on SEDAR at [www.sedar.com](http://www.sedar.com). Alternatively, a written prospectus relating to the Offering may be obtained upon request by contacting the Company or Cantor Fitzgerald Canada Corporation in Canada, attention: Equity Capital Markets, 181 University Avenue, Suite 1500, Toronto, ON, M5H 3M7, email: [ecmcanada@cantor.com](mailto:ecmcanada@cantor.com).

This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the Units in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of that jurisdiction. The Units have not been approved or disapproved by any regulatory authority, nor has any such authority passed upon by the accuracy or adequacy of the prospectus or the registration statement.

### **Forward-Looking Statements**

This news release may contain forward-looking information that involves substantial known and unknown risks and uncertainties, most of which are beyond the control of Aurania. Forward-looking statements include estimates and statements that describe Aurania’s future plans, objectives or goals, including words to the effect that Aurania or its management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as “believes”, “anticipates”, “expects”, “estimates”, “may”, “could”, “would”, “will”, or “plan”. Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to Aurania, Aurania provides no assurance that actual results will meet management’s expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the anticipated size of the Offering, the anticipated Offering Price, the entering into of the underwriting agreement and the completion of the Offering, the anticipated use of the net proceeds from the Offering, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange, Aurania’s objectives, goals or future plans, statements, exploration results, potential mineralization, the corporation’s portfolio, treasury, management team and enhanced capital markets profile, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to, failure to identify mineral resources, failure to convert estimated mineral resources to reserves, the inability to complete a feasibility study which recommends a production decision, the preliminary nature of metallurgical test results, the potential impact of COVID-19, delays in obtaining or failures to obtain required governmental, regulatory, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in

equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, and those risks set out in Aurania's public documents filed on SEDAR. Although Aurania believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. Aurania disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
