
CALIBRE COMMENCES ORE DELIVERIES FROM ITS EASTERN BOROSI OPEN PIT MINE TO THE LIBERTAD MILL

Vancouver, B.C. – May 30, 2023: Calibre Mining Corp. (TSX: CXB; OTCQX: CXBMF) (“Calibre” or the “Company” - <https://www.commodity-tv.com/ondemand/companies/profil/calibre-mining-corp/>) is pleased to announce that, following the commencement of mining at its 100% owned Eastern Borosi open pit mine in early April, ore deliveries to the Libertad processing plant commenced in May.

Darren Hall, President and Chief Executive Officer of Calibre, stated: “I am very pleased with the progress made at the Eastern Borosi mine complex, successfully transforming the exploration district to a production centre. In April we began mining from the high-grade Guapinol open pit with a reserve grade of 6.8 g/t gold and ore deliveries to the Libertad mill commenced mid May. The development of Eastern Borosi marks another significant milestone for the Company which will positively contribute to our grade driven production growth as we reaffirm our 2023 guidance of 250,000 to 275,000 ounces.”

ON BEHALF OF THE BOARD

“Darren Hall”

Cautionary Note Regarding Forward Looking Information

This news release includes certain "forward-looking information" and "forward-looking statements" (collectively "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements in this news release that address events or developments that we expect to occur in the future are forward-looking statements. Forward-looking statements are statements that are not historical facts and are identified by words such as "expect", "plan", "anticipate", "project", "target", "potential", "schedule", "forecast", "budget", "estimate", "intend" or "believe" and similar expressions or their negative connotations, or that events or conditions "will", "would", "may", "could", "should" or "might" occur. Forward-looking statements in this news release include, but are not limited to: the Company's expectations toward higher grades mined and processed going forward; statements relating to the Company's 2023 priority resource expansion opportunities; the Company's metal price and cut-off grade assumptions; the Company's expectations with respect to Pavon Central and EBP and their respective contributions

to production growth. Forward-looking statements necessarily involve assumptions, risks and uncertainties, certain of which are beyond Calibre's control. For a listing of risk factors applicable to the Company, please refer to Calibre's annual information form ("AIF") for the year ended December 31, 2022, and its management discussion and analysis ("MD&A") for the year ended December 31, 2022, all available on the Company's SEDAR profile at www.sedar.com. This list is not exhaustive of the factors that may affect Calibre's forward-looking statements such as potential sanctions implemented as a result of the United States Executive Order 13851 dated October 24, 2022.

Calibre's forward-looking statements are based on the applicable assumptions and factors management considers reasonable as of the date hereof, based on the information available to management at such time. Such assumptions include but are not limited to: the Company being able to mine and process higher grades and keep production costs relatively flat going forward; there not being an increase in production costs as a result of any supply chain issues or ongoing COVID-19 restrictions; there being no adverse drop in metal price or cut-off grade at the Company's Nevada and Nicaraguan properties. Calibre does not assume any obligation to update forward-looking statements if circumstances or management's beliefs, expectations or opinions should change other than as required by applicable securities laws. There can be no assurance that forward-looking statements will prove to be accurate, and actual results, performance or achievements could differ materially from those expressed in, or implied by, these forward-looking statements. Accordingly, undue reliance should not be placed on forward-looking statements.
